THE NICE ONE AND THE MEAN ONE

Chapter 1 by Ashley

Once there was a little girl her name was Agnes she was very sweet while on the other hand Hanna was just a mean little rude kid. They were just about to school, they were going to 2nd grade. Hanna was so mad about going back to school. Agnes was excited about going back to school. When Hanna found out that she was going to be in the same class as Agnes and had to sit next to her. She got so mad and Agnes was happy to sit next to Hanna. The reason that Hanna hated Agnes was that she had lots of pretty stuff, she had lots of friends, she had her own room, and had the bestest b-day parties. But Hanna was jealous because she didn't have any friends, super cool b-day parties, had to share rooms, and didn't have cool stuff. In 5 more days Hanna had to go back to school and she really didn't want to be with Agnes. Since Hannah was always a bad little child she decided to take away some of Anges's things. She knew on September 3 was Anges's birthday, and she always invited everyone in the class no matter if they were boy, girl, mean, or nice. She decided to go this year.

5 days later

It was Monday, Agnes was getting ready for school she got on her shirt, put on her shorts, combed her hair, and got her backpack. Her mom called, "Agnes breakfast is ready."
